## SCHOOL-BASED S.A.F.E. PROGRAM MISSION STATEMENT

The Student Awareness of Fire Education (S.A.F.E.) program is a fire and life safety education program designed to equip elementary, intermediate, and high school students with skills for recognizing the dangers of fire and the fire risks of smoking materials. The core school-based program is taught by specially trained firefighters. Many of the firefighters are trained emergency medical technicians who have seen the catastrophic

These must be signed  
by the designated  
officials.

## SENIOR SAFE PROGRAM MISSION STATEMENT

The Senior SAFE program is a fire and life safety education program designed to improve the safety of older adults in Massachusetts through education addressing the unique fire risks for this age group. These risks include smoking, home oxygen use, cooking, electrical, and heating dangers. The program is taught by specially trained firefighters. Many of the firefighters are trained emergency medical technicians who have seen the catastrophic effects of smoking-induced illnesses and the dangers of fire associated with home medical oxygen use.

## Budget Narrative for School-Based S.A.F.E. Grants

How are you going to spend your S.A.F.E. grant? Explain what you will be spending your grant on. Identify how at least 50% of your school based grant will be spent educating students. Include the attached budget sheet for both the school based and senior based grants

Describe how you will use your grant money? (Personnel costs, supplies, etc.) Explain how at least 50% be spent on educating students.

Who is your audience? (Include grades, ages, number of classrooms visited, number of visits to each classroom, which school, etc.)

This is the greatest change from previous years. Your narrative will need to be expanded. You need to explain how you will be spending the grant. If you refer to your directions page which is also on the DFS website you will see the guidelines for the narrative.
